**SABIS® Digital Platform** is a password-protected web and mobile application featuring tools and resources packed with advanced and practical features for parents and students in SABIS® Network schools.

The platform allows parents and students to log in and access relevant information tailored to their needs and preferences, keeping them informed, connected, and alerted at all times.

**SABIS® Digital Platform** offers parents easy access to stay in the know about their child's academic performance and school involvement by logging in to SABIS® Digital Platform or downloading the mobile app. Parents have the option to customize push notifications and will receive automated alerts sent by the school.

Available information includes:

- Updated academic overview
- Detailed schedule and interactive school calendar
- Most recent school news, announcements, and photos
- Latest school reports and download material
- Important school links
- PrepList and On-Demand Tutoring

The screenshot displays the SABIS Parent Digital Platform interface for ISC-Adma. The top navigation bar is green with the text "SABIS® Parent". The main content area is white and features a grid of colorful tiles. The top row includes a blue tile for "First day of school at SABIS®" with a date of Wednesday, October 5, 2016; a yellow tile for "SABIS® Newsletter"; a photo gallery tile; and a green tile for "School Links". The second row contains a video player tile, a blue calendar tile for "Term 3 - Week 15" (October 2016), and a red "Survey" tile. Below these is a green "Mobile App Subscription" tile. The interface then transitions to a student profile for "GR.09 - IP" with a "My Family" dropdown menu. The student's dashboard includes a "Progress Overview" tile with a bar chart, a "Reports" tile, a "Schedule" tile showing "14 Friday", "Downloads", "On Demand Tutoring", and "PrepList" tiles, and "Homework" and "Student Learning Environment" tiles at the bottom.
